Dear FirstName:

DEADLINE: Friday, Sept. 7-noon

The Minnesota Surveyors and Engineers Society (MSES) will be hosting its 96th Annual MSES Fall Outing Event September 12-14, at Grand View Lodge in Nisswa. On behalf of the Board, I would like to thank you for your past contributions to MSES. It is contributions from companies like yours that help MSES fulfill its core mission:

To support and improve the transportation industry in the State of Minnesota by providing scholarships to deserving college students who demonstrate strong academic performance along with an interest in working in the transportation field.

Based on past fundraising efforts, MSES has provided over \$1,300,000 in scholarships to deserving students. You may have even been one of those recipients.

As in 2017, we held a bidding process for the Title Sponsorship. This year we were not successful in receiving a minimum bid for the title sponsor. We opened it up to the **highest bidder by WEDNESDAY, JULY 11 at 10 a.m. – winner was HDR Engineering.**

Attached you will find a description of the various sponsorship levels for the MSES Fall Outing. We hope that your firm will be able to contribute to help make this a premier event that provides a casual and relaxed networking opportunity while at the same time supporting the core mission of raising funding for scholarships.

NOTE: The Golf Tourney moved to Thursday morning at 9:30 a.m. (from Wed pm)

If you have any questions or would like to talk about any of these items, please do not hesitate to contact any one of us. Again, thank you for the time, energy, and resources that you have given to MSES. We look forward to seeing you at the MSES Fall Outing.

Sincerely,

Bobby Oare
